## ECPD ACTIVITIES IN THE FIELD OF TRADITIONAL MEDICINE

In implementing the strategy “**Health for All**”, one of primary tasks of the **WORLD HEALTH ORGANISATION (WHO)** represents the **PROGRAM OF TRADITIONAL MEDICINE**, adopted in 1991 at the **World Health Assembly**. Having accepted all resolutions of the **WORLD HEALTH ORGANISATION**, **Yugoslavia** took the obligation to support through its institutions this **PROGRAM** and its five major areas of actions, defined as priority of the **WHO** in the area of traditional medicine in the period **1990–2010**:

- **Development of national programs;**
- **Research of health care systems;**
- **Clinical and scientific research;**
- **Education and training;**
- **Exchange of information.**

This **PROGRAM** is carried out in various parts of Europe by the **EUROPEAN CENTER FOR PEACE AND DEVELOPMENT (ECPD) University for Peace** established by the **United Nations**, which places special emphasis on the preservation of **human resources for development** and conducts comprehensive **educational and research activities**.

In the field of **traditional medicine**, **ECPD** has so far conducted the following actions:

- Signed the **Agreement on Cooperation in Educational Postgraduate Activities in the Field of Traditional Medicine** between **ECPD** and **Federal Institute for Health Protection and Development** Belgrade, based on which the **Federal Commission for Traditional Medicine of Yugoslavia** was established. **ECPD** has its representatives in the Commission and partially covers the costs of its work, whereas its tasks are in line with the postulates, resolutions and recommendations of the **WORLD HEALTH ORGANIZATION**;
- Signed the **Agreement on Cooperation in Educational Postgraduate Activities** between **ECPD** and the **Faculty of Medicine University of Belgrade** and the Agreement between **ECPD** and **Faculty of Medicine University of Novi Sad** which refer to the **ECPD INTERNATIONAL SCHOOL FOR TRAINING IN TRADITIONAL MEDICINE AND POSTGRADUATE STUDIES – at specialist, master and doctoral levels in traditional medicine, new technologies in medicine, health economics and organization, health management, etc.**;
- Established the **ECPD INTERNATIONAL PROGRAM for Biomedical Research and Traditional Medicine**, which was introduced in 1988. This Program is carried out in the premises of the **INSTITUTE FOR MEDICAL PHYSIOLOGY** of the Faculty of Medicine in Belgrade and includes: **ECPD INTERNATIONAL SCHOOL OF TRADITIONAL MEDICINE** and **ECPD CABINET OF TRADITIONAL MEDICINE**.

## ECPD INTERNATIONAL SCHOOL OF TRADITIONAL MEDICINE

**ECPD INTERNATIONAL SCHOOL OF TRADITIONAL MEDICINE** Belgrade was founded on the basis of the ECPD's **goals and mission** in the field of traditional medicine and the **recommendations of the World Health Organization ON COMPLEMENTARITY AND INTEGRATION OF MODERN AND TRADITIONAL MEDICINE**.

The **School** is intended for **doctors and dentists**, as a **form of professional development**. **LECTURES PROGRAM in traditional medicine** is divided into three levels of courses: elementary, intermediate and advanced. Since **1989 to present date**, **37 elementary courses have been organized (920 participants)**, **20 intermediate courses (512 participants)**, **16 advanced courses (412 participants)** and **24 integral courses (180 participants)**.

In order to improve the teaching, ECPD concluded **COOPERATION AGREEMENTS** with the following institutions:

- **International College for Acupuncture and Electro-Therapeutics, New York;**
- **Institute of Acupuncture and Moxibustion of the Academy for Traditional Chinese Medicine, Collaborating Center WHO, Beijing;**
- **Institute of Traditional National Medicine Russian Academy of Sciences, Moscow;**
- **ECPD Institute of Preventive Medicine, Political and Health Psychology, Heidelberg;**
- **Federal Institute for Health Protection and Development, Belgrade;**
- **Serbian Medical Society, Belgrade;**
- **Faculty of Medicine, Belgrade;**
- **Faculty of Medicine, Novi Sad;**
- **Faculty of Medicine, Skopje;**
- **National Institute of Public Health, Athens;**
- **National Institute of Public Health, Ulan Bator;**
- **World Federation of Acupuncture and Moxibustion Societies (WFAS) Beijing;**
- **Liaoning Overseas Chinese Research Institute of New Medicine Shenyang;**
- **University of Novi Sad;**
- **University of Niš; and**
- **University of Banja Luka.**

Participation in the courses delivered by distinguished experts in traditional and modern medicine from different countries allows complete and modern professional development of **doctors and dentists** and represents a step forward towards creating comprehensive, unique system of medical knowledge with a view to achieving quality human life.

After the final examination is successfully passed, participants receive an **INTERNATIONAL DIPLOMA ISSUED BY ECPD University for Peace**, which is recognized in all **United Nations** member states.
